his resolve to assuage and abate the inconvenience and demoralisation of a paper currency. and to return at the earliest available opportunity to cash payments. This inconvenience and demoralization is so widely and deeply felt by sufficed to win favour for a Government. In his proposal for taxing the Church property to the sum of £24,000,000, and borrowing that amount on mortgage, without determining in advance

the destination of the arreadd portion of the lands and the disposal of the surplus, Signor Ferrara desired to avoid the peril of mixing up in their possession short of weight, and using a purely financial operation with so large a But when Signor Fafrara confidently aunounced to the Chamber that he was in treaty with capitalists of the first order for the projected loan upon the security of the Church property, he seems to have reckoned without his bost. The Chainler would have nothing more to do with the Belgian bankers, and the Belgian bankers threatened in action for the noufulfilment of contract; the Paris capitalists, after signing a preliminary agreement through their agent, suddenly withdrew from it by telegram, on the ground that they could not take part or lot in the apoliation of the Church; while the agent of the Belglan bankers accuses Signer Ratazzi of concealing from the Parliament an agreement with him for tho. eventual restoration of the unsold lands to the Church; an accusation which the President of the Council has flatly and indignantly denied. The effect of all these scandals and recriminathe whole of the Church lands are worth at least eighty millions eterling, and that to take only twenty-four millions for the State, and hand over the rest to the Church, would be a ment of the Church with more than its former independence, and all its tyranny over the souls power, which was that they should pay to Her population. It seems clear to quiet spectators

and bodies of the unealightened majority of the at a distance that while the State in Italy ban quite as good a right to deal with the Church property as the State in France and even in Spain. mad take in or out bollers, masts, &c.
